BCA Christmas Gala is December 7...

A Special Sponsorship Opportunity

In Honor of the Holiday Season & Your Construction Industry Clients & Associates

To Our Valued Members:

The holiday season is drawing near, and Building Contractors Association of Northeast Indiana invites you to help spread good cheer and foster the spirit of this joyful time by becoming a sponsor of the Christmas Gala. On Thursday, December 7, over 300 members and guests are expected to fill the Memorial Coliseum Conference Center in celebration of the season and the business relationships that enabled them to prosper another year in the commercial construction industry of northeast Indiana.

Limited sponsorships are available for \$225 providing several ways for you and your company to express goodwill to the membership of the BCA. Sponsoring firms receive the following benefits:

-  Your own personalized greeting including company name and logo published in the Christmas Gala Program given to each guest. Your message will reach out even further through inclusion in a holiday greeting to the membership distributed electronically to more than 600 individuals and their organizations.
-  Six drink tokens to spread around more Christmas cheer to special friends or customers.
-  Preferred seating the evening of the Gala.

You will receive your formal invitation to the Christmas Gala soon. We look forward to sharing this special season with you on December 7!

Sincerely,

Jeff Harding
